

Look at yourselves, every one of you; and do not ever say your friend was the cause of the disturbance within you! Take that—every one, tonight, unto yourself! Look yourself in the face and say: "Here, what is there in me I can correct, which makes me a more Perfect person"? Then you will find the remedy, correct those habits and be happy. You will know such Happiness, as you never can know otherwise!

Oh, do not blame persons, places and conditions for the thing which is within yourself! That is why the Messenger said tonight in the beginning: Oh, Dear People, cut yourselves Free from the psychic and spiritualistic things, which open you to all the discordant entities there are! As long as you do whatever opens you to these things, you will never know Happiness, Success nor Freedom. You cannot do it. Why? Because today, the Great Law of Life demands your attention; demands your calling on the Law of Forgiveness, for all mistakes you have made; not only yourselves but all mankind! **COULD YOU UNDERSTAND THE POWER AND RELEASE WHICH WOULD COME TO YOU IN ONE HALF HOUR, IN GREAT EARNEST SINCERE CALLING ON THE LAW OF FORGIVENESS FOR ALL YOUR MISTAKES, DEAR HEARTS, YOU WOULD REJOICE FOREVER.**

Don't think it is all the other person. Call on the Law of Forgiveness, for yourself and all mankind. Then, hold your feeling Harmonious and at Peace, and you will see the Glory of your Presence and Its Perfect Manifestation
