

believe it or not! Please do not believe a thing is not Real, because it is invisible; for all the Great Powers in the World which are being used are invisible!

Many thousands of students have seen the Calls of the Messengers answered with definite precision. Now, as the Great Momentum of the large number of students, who in their great loyalty are joining in these Wondrous Decrees, the Power has become Mighty. Many of the things which were thought to take place in the World, have not taken place. All of you earnest, Blessed Ones, have been a part of That Great Service in the Mighty Decrees which you have issued. We congratulate all the students who are able to release such a Mighty Power of the Ascended Masters' Divine Love and Blessings, for It is the Secret of all things!

The refusal to accept or listen to human gossip is the Open Door to solve your problems. There the Out-pouring of the Ascended Masters Divine Love and Blessing is the Open Door, to the Out-pouring from the Presence, which will solve all things. We rejoice, so many of the students after, such a long time and many repetitions of This Instruction, are beginning to understand, the first imperative need in their worlds, is to refuse to listen to or voice destruction; send forth discordant qualities; or even to allow them to act within their feeling. Then, as they pour out Divine Love and Blessings to all persons, places, conditions and things, the Whole Universe will flood their worlds with money, supply, happiness, health, strength and courage; because they are complying with the great Law of Life!
